

Uintah County Noxious Weed Fee Schedule

Weed Control Fees and Reimbursement Schedule

The following noxious weed control fees and reimbursements apply for **noncommercial use only** and will be effective beginning in 2009.

SPRAY SERVICE FEES – The Weed Department sprays **non-crop land** for **designated State and County Noxious Weeds only**. Service fees include the complete cost incurred by the Weed Department for one spray unit per hour and the cost of all chemicals used. A spray unit consists of a maximum of: Two employees, one truck spray unit, one trailer, and one ATV spray unit. Minimum labor fee is \$45.00 plus the cost of chemicals.

Private landowners: 50% off the total cost of services and chemicals.

Canal companies: 50% off the total cost of services and chemicals.

Federal, State, Tribal agencies: 25% off the total cost of services and chemicals.

County Government entities: Cost of chemicals only.

SPECIAL PROJECTS – All costs are subject to funding source.

HERBICIDE RETAIL SALES AND REIMBURSEMENTS

Private landowners: 50% of the herbicide cost up to a maximum of \$300.00 annually.

Private Canal Companies: 50% of the herbicide cost up to a maximum of \$1,000.00 annually.

Qualifying herbicides: Only certain herbicides qualify for reimbursement under this program. A list of qualifying herbicides is available at the Uintah County Weed Department or on the County web site, <http://www.uintahweeds.org> by clicking “Programs & Fees.”

The Weed Department does not offer for sale any herbicide.

Herbicides purchased through this program may not be used by Weed Department personnel to perform contracted labor. All reimbursement requests shall be subject to review by the Weed Supervisor.

SPRAY TANK RETAIL SALES

PRIVATE LANDOWNERS

Spray tanks, 3 gallons or larger – 25% reimbursement of the purchase price.

Maximum reimbursement \$100.00. One reimbursement per household permitted every three years.
